X-ray Lab - Small molecules
Sample Submission Form

Person Submitting Sample: _____ Date: _____
Your Sample Reference Code: _____ X-ray Lab Code: _____
Room Number & Building: _____ Telephone Number: _____
Group: _____ Your E-mail: _____

Color of sample when submitted: _____
To your knowledge, is this sample: Air-stable: _____ Air-sensitive: _____
Moisture sensitive: _____ Light or radiation sensitive: _____ Sensitive to solvent loss: _____
Other characterization methods used: NMR ; MS ; IR ; MP
List all solvents used in the reaction and during recrystallization: _____

Sample Empirical Molecular formula:

Sketch of proposed structure and any preferred atom labeling scheme:

Preliminary Findings:
