

Rei Chemke

Department of Earth and Planetary Sciences
Weizmann Institute of Science
Rehovot 76100, Israel

Tel: +972-8-934-3397
email: rei.chemke@weizmann.ac.il
<https://www.weizmann.ac.il/EPS/Chemke/>

Education

2013-2017 PhD Atmospheric Dynamics, Weizmann Institute of Science, Advisor: Yohai Kaspi
2012-2013 MSc Atmospheric Dynamics, Weizmann Institute of Science, Advisor: Yohai Kaspi
2009-2012 BSc Atmosphere, Ocean and Climate Sciences, Hebrew University

Professional Positions

2020-present Assistant Professor, Weizmann Institute of Science
2019-2020 Postdoctoral research scientist, Columbia University
2017-2019 Postdoctoral fellow, Columbia University

Academic Administration

2025-present Organizer AMS, Atmospheric and Oceanic Fluid Dynamics conference
2024-present Member Chemistry Board of Studies, Weizmann Institute of Science
2021-2025 Organizer Earth & Planetary Sciences Dept. seminar, Weizmann Institute of Science
2022 Organizer Symposium on Geophysical Fluid Dynamics VII, Sde Boker, Israel
2018-2019 Organizer Climate Science Colloquium, Columbia University

Other Appointments

2023, 2025 Teacher, Advanced topics in mid-latitude dynamics, Weizmann Institute of Science
2023-present Consultant, Climate Center Scientific Committee, Israeli Meteorological Service

Honors

2025 Scientific Council Prize in Chemistry
2025 The Krill Prize for Excellence in Scientific Research
2022 Princeton AOS-GFDL Visitors Research Scholar Fellowship
2017 The NOAA Climate and Global Change Postdoctoral Fellowship
2017 The Prof. Israel Dostrovsky Prize of Excellence, Weizmann Institute of Science
2016 The Rieger Foundation Fellowship
2015 The Lev-Zion Scholarship for Excellent Ph.D students
2015 The Rieger Foundation Fellowship
2014 The Dean's Prize for M.Sc Students, Weizmann Institute of Science
2010 The Dean's Prize for B.Sc Students, Hebrew University

Reviewing Activities

Grants: National Science Foundation, Israel Science Foundation, U.S.-Israel Binational Science Foundation, Israeli Ministry of Innovation, Science and Technology.
Peer-review journals: Science Advances, Nature Climate Change, Nature communications, npj Climate Atmos. Sci., Geophysical Research Letters, Journal of Atmospheric Sciences, Journal of Climate, Journal of Physical Oceanography, Fluids, Astrophysical Journal

Supervision of graduate students and postdocs

Current

2023-present Itamar Karbi (PhD), EPS Department, Weizmann Institute of Science
2023-present Noga Liberty (PhD), EPS Department, Weizmann Institute of Science
2023-present Or Hess (PhD), EPS Department, Weizmann Institute of Science
2024-present Ewelina Winiarska (Postdoc), EPS Department, Weizmann Institute of Science

Graduated

2021-2022 Itamar Karbi (MSc), Dept. of Earth & Planetary Sciences, Weizmann Institute of Science
2022-2023 Noga Liberty (MSc), Dept. of Earth & Planetary Sciences, Weizmann Institute of Science
2022-2023 Or Hess (MSc), Dept. of Earth & Planetary Sciences, Weizmann Institute of Science

Invited presentations

- EPESC - LEADER Science Meeting, South Korea, 2025
- CAOSeminar, The Earth Science Institute, Hebrew University, Israel, 2025
- Department of Marine Geosciences, University of Haifa, Israel, 2025
- Department of Geophysics, Tel Aviv University, Israel, 2024
- US CLIVAR Workshop on Confronting Earth System Model Trends with Observations, USA, 2024
- The Oceans: Impacts of climate and environmental change workshop, Hebrew University, Israel, 2023
- The American Geoscience Union General Assembly, 2022
- Midlatitude storm-tracks workshop, Oleron, France, 2022
- Program in Atmospheres, Oceans and Climate (PAOC) Colloquium, MIT, USA, 2023
- SEAS Colloquium in Climate Science (SCiCS), Columbia University, USA, 2023
- Physical Oceanography seminar, Woods Hole Oceanographic Institution, USA, 2022
- CAOSeminar, The Earth Science Institute, Hebrew University, Israel, 2021
- Geophysics Colloquium, Department of Geophysics, Tel Aviv University, Israel, 2021
- Geophysical Fluid Dynamics Laboratory seminar, GFDL, USA, 2020
- ClimaTea seminar, Harvard, USA, 2019
- Ocean and Climate Physics seminar, Columbia University, USA, 2019
- Earth and Planetary Sciences department seminar, Weizmann Institute of Science, Israel, 2018

Publications (members of my group are in bold)

48. **Chemke, R.** and Yuval, J., 2026. Climate change shifts the North Pacific storm track poleward, *Nature*. [url](#)
