Installing and Connecting to Eduroam on Windows 7, 8.x and 10

The following one-time installation (to be carried out by Weizmann Institute personnel only) will enable you to connect to Eduroam automatically, whenever the service is in range.

To set up automated connection to Eduroam:

- 1. Access <u>cat.eduroam.org</u> via your browser.
- 2. Click eduroam user: download your eduroam installer.

3. Click **Weizmann Institute of Science** in the window that pops up. When connecting from overseas, select to show institutions in **Israel**.

Home institution Select your institution	\otimes
Weizmann Institute of Science Israel 46 km	בכה הצבה לבדע
Israel 64 km	(M)
Technion Institute of Technology Israel 144 km	TECHNION Israel Institute of Technology
Help, my institution is not on the list	
O Locate me more accurately using HTML5 Geo	p-Location
Show institutions in Israel show all	countries

4. Download and run the Eduroam installer. If prompted by your anti-virus program, approve installation execution.
