Physics Graduate Program

OPEN DAY

Weissman Auditorium, Weissman building, Physics

9:00  Gathering and coffee
9:30  Opening, Prof. Nir Davidson, Dean
9:45  Prof. Gilad Perez, chair board of studies
      Introduction to the physics graduate program
10:00 Dr. Ofer Firstenberg
      Experimental physics, atomic molecular optics
10:30 Dr. Keren Michaeli
      Theoretical condensed matter physics
11:00 Coffee break + meeting with 1st and 2nd year students
11:30 Dr. Efi Efrati
      Complex system
12:00 Dr. Shikma Bressler
      High energy physics
12:30 Dr. Boaz Katz
      Astrophysics
13:00 Meetings with senior students, food, music and beer
