Midrasha on Groups Seminar

Room 208, Elaine and Bram Goldsmith Building
on Monday, Dec 09, 2024
at 11:15

ZOOM

The seminar will be frontal and also on Zoom

Liam Hanany
Weizmann

will speak on

Dye's Theorem and the uniqueness of hyperfinite equivalence relations

Abstract:

I will discuss Dye's Theorem and the uniqueness of hyperfinite equivalence relations following mostly [Kerr-Li] Section 4.9.
