Guidelines for the New Routine – COVID19

Every day, before arriving on campus, everyone is required to fill out a personal health declaration on WeizmanNet.

Wear a surgical/fabric mask in every public space on campus, including in offices and laboratories, with the exception of two people who work in the same office on a consistent basis.

Maintain a distance of at least two meters between individuals.

Frequently wash hands with soap & running water/clean them with 70% alcohol wipes or solution.

Sanitize shared equipment before transferring it to another person.

Eat and drink only in personal workspace or in open areas outside the buildings on campus.
