

Weizmann Women In Chemistry forum welcomes

# Prof. Nirit Dudovich

Nirit is the first woman PI in the faculty of Physics! She won many prizes and honors and was always the only female around. She will talk about her academic journey, struggles and how to overcome them, challenges of working in a male-dominated field and more... come with questions.

**Wednesday, March 13th, 2024**

**13.00 – 14.00**

**Stone building,  
Zack's Meeting room, Lobby Floor**

**Tasty refreshments will  
be served at 12:45**

**See you  
Jenny-Lee, Yasmin and Shakked**
