

Planning a Postdoc abroad?

The office for the Advancement of Women in Science and Gender Equality is happy to invite you and your spouse to an

Evening of wine & cheese

Sunday, September 7, 2025 at 19:30, on Campus

The event will be held in Hebrew

One of the most significant challenges that faces many outstanding woman scientists who wish to become a PI in Academia is uprooting their families to pursue postdoctoral positions abroad.

We invite you to join us for a special event to hear firsthand about the processes, challenges, and perspectives of women scientists — and their spouses — who have decided to embark on this critical and transformative step outside of Israel.

Round table members:

Dr. Tslil Ast, Department of Biomolecular Sciences, and **Shachar Dagan**

Dr. Tamar Ben-Shaanan, Department of Molecular Neuroscience, and **Yair Ben Shaanan**

Dr. Shifra Lansky, Department of Chemical and Structural Biology, and **Amichai Berkovitz**

Registration

To reserve your place, please ensure your early registration

Looking forward to seeing you

Prof. Idit Shachar & Limor Rimon-Madhala

Office for the Advancement of Women in Science and Gender Equality
